

# 'Just Hire' for Weddings

The Furze Hill Suite is a light and spacious contemporary room in an impressive Victorian Country House surrounded by 9 acres of mature landscaped grounds, offering a beautiful setting for wedding photographs and stunning views of the surrounding countryside and it can be hired on a room only basis.

Located just off the A12 between Chelmsford and Brentwood, we are accessible from east and north east London and easy to find. Unlike many London venues we have almost unlimited free parking. If you have relatives coming from far and wide we can also offer accommodation at our hotel, Best Western Ivy Hill, located within the grounds.

The venue can accommodate up to 300 people, depending on the style of your event.

The Furze Hill Suite has an extensive professional kitchen with excellent access for caterers. The caterer is free to bring in alcohol and drinks to be served with the meal, free of corkage charge, you can provide the drinks if you are catering yourselves or agree same with your caterer. After the meal our fully stocked and staffed bar will be open for guests to purchase drinks.

## Asian Weddings

Our Just Hire option allows us to specialise in Asian Weddings, along with all the events related to the wedding itself, such as the Civil Ceremony (for which we are fully licensed), an engagement party or Mendhi or Henna events for the ladies.

We have a number of Asian caterers that we work with and are very happy to recommend to you having determined your particular requirements. We can recommend specialists for Moslem, Hindu, Sikh, Gujarati and Sri Lankan cuisine. Alternatively we are happy for you to choose your own caterers or indeed cater for the event yourself.

You can carry out a flame bowl ceremony inside the building and we have a beautiful Edwardian Gazebo outside that can be used as a Mandap for your wedding ceremony, as well as large areas of hard standing surrounded by mature trees that we have previously used for Hindu wedding ceremonies.

We are used to dealing with the Asian community and understand your requirements, along with your chosen caterer we can deliver a memorable and special day for you and your family.

## Other International Weddings & Events

We appreciate that different cultures have different requirements; our Just Hire option means that you can ensure your celebration is just how you want it.
